# My World

When I open the door, I see my happiness.  
I see my family, my friends, my entire world.  
But sometimes I can't take it any more,  
I feel like closing the door, and not looking back.  
I don't feel like I used to do before.  
But even though it's sometimes hard,  
I can't imagine living without my stars.  
In my world, they shine brighter than the sun.  
with them, my life is so much fun!
